Subject: Ready to Submit
[Key Characteristics of Carcinogens 3-3-15.docx](#)

I attach the 'final' version of our paper on the Key Characteristics that I plan to submit tomorrow once I hear from Vince.

For reviewers I am suggesting: Curt Harris, Larry Marnett, Trevor Penning, David Ross, Pierluigi Cocco and Larry Robertson. Please add or subtract from this list.

As EHP editors I am suggesting Bruce Fowler, Manolis Koveginas or Tracey Woodruff. Thoughts?

Thanks, Martyn

Martyn T. Smith, Ph.D.
